

Community Feedback Form

Your feedback is important in developing a pumped hydro project that best suits the local area and community. As such, OMPS Pty Ltd seeks to understand the community's views and concerns regarding the proposed development. Your feedback will be considered in the design and environmental assessment of the OMPS project.

Name (optional)

.....

Tick which box best describes where you live:

- Within 1-2 kilometres from the proposed project
- 2-5 kilometres from the proposed project
- More than 5 kilometres from the proposed project
- Resident of Kempsey Shire
- Resident of Walcha Shire
- Not a resident of Armidale, Kempsey or Walcha Shire

Tell us what you value about the local area: Circle one or more.

- a) Landscape and views
- b) Community / family ties
- c) Historic values
